**No. 690** The most practical and popular riding boot. Fine soft leather that fits like a glove. Instep strap construction makes them easy to put on and take off. Absolutely snug in the heel, with no slipping. 17 inches high with buckle and billet at top. Oak-tanned viscolized sole. We cannot recommend these boots too highly. Do Not Confuse with "cheap boots" represented as "just as good." These are made of Full Grain Leather thruout. No so-called "processed" stock.

Half Sizes 6 to 12

**WOOL LINED HORSEHIDE**

Extra Warm, but Not Bulky or Cumbersome.

**No. 470**  
Wool Lined

\$185 POST PAID

Finest Smoked and Buffed Horsehide that is soft and comfortable to wear, and the toughest of all glove leathers. Rip-Proof Welted finger and thumb seams. Warm Wool Lining, but not bulky or thick. Made-to-order for Riding or Driving because the buff leather prevents slipping. Sizes 7½ to 11.

**Real Buckskin**
